CREDIT UNION IMPACT GEORGIA

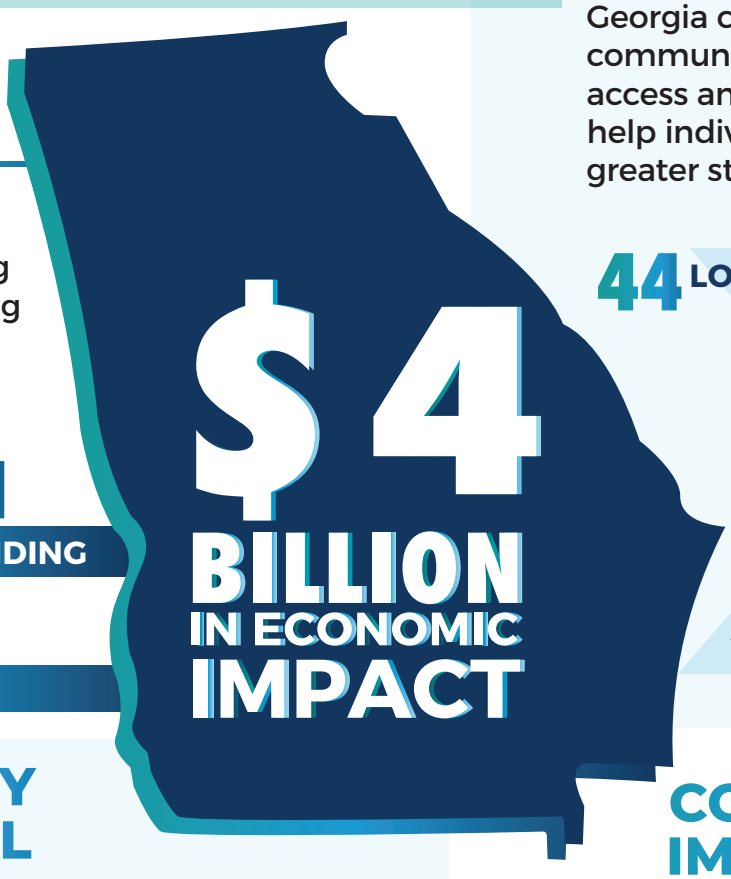

BY THE NUMBERS 2025

ECONOMIC OPPORTUNITY

Georgia credit unions help create economic opportunities by expanding access to capital, supporting local businesses, and contributing to economic growth across the state.

$800 MILLION
IN SMALL - BUSINESS LENDING

$14.5K
JOBS SUPPORTED

COMMUNITY RESILIENCE AND DEVELOPMENT

Georgia credit unions strengthen communities by expanding financial access and providing resources that help individuals and families build greater stability.

44 LOW-INCOME DESIGNATED CREDIT UNIONS

5 CDFI-CERTIFIED CREDIT UNIONS

90.5%
OF MEMBERS HAVE ACCESS TO FINANCIAL EDUCATION.

AFFORDABILITY AND FINANCIAL SECURITY

Georgia credit unions help make everyday life more affordable through higher savings yields, lower loan rates, fewer fees, and financial support when members need it most.

$400.8 MILLION
IN DIRECT FINANCIAL BENEFITS TO MEMBERS

During the government shutdown, Associated Credit Union launched a Federal Employee Relief Loan Program with a below-market interest rate and offered additional support for members with existing loans, along with access to financial counseling.

COOPERATIVE IMPACT

Credit unions multiply their impact when employees, members, and communities come together around shared causes.

In 2025, SRP Federal Credit Union employees raised $7,730.74 and donated 62 teddy bears to support Children's Miracle Network hospitals.
